

Standard deliver is normally next day at no cost to the customer. Some exceptions do apply.

Same deliver options are 2-hour and 4-hour and a small charge for the service. The product selection is reduced to what can be delivered same day.

Later in the day, the 2-hour window disappears, because rush hour creates delays longer than 2-hour service can provide. These service options are the normal response time; however, they cannot be guaranteed. If your need is urgent, please use the "Chat now" link or call us at 480.921.2900 to confirm. Same day delivery is limited.

The screenshot shows the WIST Business Supplies & Equipment website. At the top, there is a red header with the WIST logo, a search bar, and a phone number (156780-110-BILLING OPS). Below the header is a navigation bar with categories like HON, DEMO CHAIRS, BREAKROOM, WELLNESS, TRU IMAGE, JANITORIAL, PRINTING, SCHOOLS, Furniture, and Ink & Toner. A user profile section on the left shows "Welcome, IVAN" and order statistics. The main content area features a "PRODUCTS WE LOVE" banner with a "Deals You'll Adore" button. Below this is a "Hot Deals" section with four product cards: Pentel EnerGel Alloy RT Retractable Gel Pen, Mr. Clean Magic Eraser Sheets, PURELL Advanced Hand Sanitizer, and PURELL ES EverClean. A "Chat now" button is visible in the bottom right corner.
