Designed to boost productivity and safety, the new generation of WaveBrake\* continues Rubbermaid Commercial Products' 50-year history of innovation with improved splash reduction and new features that surpass any other traditional mop bucket. These new features help the WaveBrake\* 2.0 clean floors with less effort to get the job done safer.

Foot-operated drain eliminates the strain of lifting and bending when emptying bucket

BBBBBB

**Improved wringer design** stands upright to minimize bending over, works with more mop sizes and is backed by a 5-year, industry-leading design

### Integrated handles and sink ledge

make it easy to lift and empty the bucket

Pour spout helps prevent water from spilling
