FLU Season is here.

PURELL® Professional Surface Disinfectant

PURELL Professional Surface Disinfectant

Is effective on 99.99% of germs, including **Norovirus and Cold & Flu viruses** that can spread rapidly. The patented formulation works fast, killing 22 germs on surfaces in just 30 seconds.

Perfect for Breakrooms, Reception areas, and Conference rooms!

Fresh Citrus Scent

RAPID KILL TIME

30-second disinfection for MRSA, VRE and Norovirus.

Worry-Free PURELL TOUCHABLE Technology

Our powerful but low-toxicity formulation means you can disinfect throughout the day as needed.

• Formulated for food-contact surfaces — no rinse required
• No warning or caution labels required
• No handwashing, gloves or safety glasses required
• No harsh fumes

Reduce Absenteeism!

Hand hygiene is the single most important means of preventing the spread of infection, but that's just half of the solution. You can improve results dramatically when you also work to prevent recontamination of hands by disinfecting surfaces people touch.

PURELL® HEALTHCARE Surface Disinfectant

PURELL™ Healthcare Surface Disinfectant

From the inventors of America's #1 hand sanitizer brand in hospitals comes a revolutionary new surface disinfectant. The patented formula kills 27 organisms, 22 of them in 30 seconds including MRSA, VRE, and Norovirus. Soft surfaces are sanitized in 20 seconds. Achieve disinfection times similar to bleach, without the harsh toxicity profile. Featuring the EPA's lowest allowable toxicity rating, the non-irritating formula requires no warning labels, has no harsh chemical fumes, and is even formulated for food contact surfaces.
