Small Footprints

## LESS IS SO MUCH MORE

Office space comes at a premium for small businesses. That's why Voi laminate desking packs plenty of functionality into small footprints. The line includes a variety of storage options—including credenzas that fit neatly below worksurfaces, layering shelves, and brightly colored storage cubes—all of which give you more desk even in a compact space.

### PRODUCTS, MATERIALS, AND FINISHES SHOWN:

**A:** Voi semi-private office with laminate worksurface in Silver Mesh, storage in Harvest, and O-legs and handles in Platinum Metallic. Boda task chair with mesh back and seat.

### LAYERING WORKSURFACES

Voi helps small offices make smart use of space by making it possible to layer worksurfaces over credenzas. They can be configured in multiple ways to support a variety of storage needs.

### HANDLE OPTIONS

Handles for storage doors and drawers are available in a choice of Champagne Metallic or Platinum Metallic finishes to match O-leg supports. Multiple handle positions are possible.

### OVERHEAD CABINETS

In private and semi-private applications, Voi overhead cabinets can be wall-mounted, or used with 5" or 20" O-legs to create contemporary stack-on storage. A conventional built-up stack-on storage model is also available.

### POWER AND DATA

Whether you need basic wire management for one desk or a hardware solution to accommodate several stations, Voi puts power and data access right where it's needed.
