## Diversified Human Resources Inc.

Employment: Leasing/PEOs

3020 E. Camelback Road,  
#213, Phoenix  
480-941-5588 · www.dhr.net

The perennial market leader in Arizona and one of the premier PEOs in the U.S., Diversified Human Resources (DHR) helps simplify client businesses by handling much of the administrative functions and paperwork associated with having employees. Services include human resources administration, payroll processing and management, employee benefits planning and administration, and workers' compensation services for many industries within the business community. The key to DHR's success is an intense focus on service and the ability to tailor programs specifically for each client.

## Wist Office Products

Office: Supply Companies

Wist Office Products has been providing superior service and the highest-quality products to Arizona businesses since 1955. The office supply industry has changed significantly since that time, and through the changes, Wist has emphasized keeping the focus on the customer. It strives to be a solution provider for its customers. As the largest independent office supplier in the Southwest, Wist has been a leader in developing the technology needed to efficiently manage inventory, as well as process and track orders. It has also incorporated various green product lines featuring both supplies and furniture. Many companies are looking for environmentally safe products, which is why Wist incorporated them. The Wist name has been synonymous with the office product industry in Arizona, when founder Martin Wist started the business in 1922. The present company has been active since 1955. As a locally owned business, Wist is positioned to meet customers' needs, as well as directly support the local economy.
